سیالکوٹ اور اقبال کا نوجوان

سیالکوٹ صرف کھیلوں، صنعتوں اور تجارت کا مرکز نہیں بلکہ علم، ادب، فکر اور خودی کی ایک روشن علامت بھی ہے۔ یہ وہ تاریخی شہر ہے جس کی فضاؤں میں عشقِ علم کی خوشبو اور نوجوانوں کے خوابوں کی روشنی ہمیشہ زندہ رہی ہے۔ اسی سرزمین نے عالمِ اسلام کے عظیم مفکر، شاعر مشرق علامہ محمد اقبال کو جنم دیا، جنہوں نے اپنی شاعری اور فلسفہ خودی کے ذریعے نوجوانوں کو اپنی صلاحیت پہچاننے، بلند خواب دیکھنے اور قوم کی تعمیر میں کردار ادا کرنے کا پیغام دیا۔ اقبال کا تصور خودی دراصل نوجوان نسل کو یہ احساس دلاتا ہے کہ کامیابی صرف خواب دیکھنے سے نہیں بلکہ مسلسل محنت، کردار، علم اور یقینِ محکم سے حاصل ہوتی ہے۔

آج اسی اقبال کے شہر میں گرینڈ ایشین یونیورسٹی، سیالکوٹ جدید تعلیم اور معیاری تربیت کے ذریعے نوجوانوں کے خوابوں کو حقیقت میں بدلنے کا عظیم فریضہ سرانجام دے رہی ہے۔ یونیورسٹی نہ صرف طلبہ کو اعلیٰ تعلیمی مواقع فراہم کر رہی ہے بلکہ انہیں عملی میدان، تحقیق، جدت، قائدانہ صلاحیتوں اور اخلاقی اقدار سے بھی آراستہ کر رہی ہے تاکہ وہ مستقبل کے بااعتماد، باصلاحیت اور باکردار رہنما بن سکیں۔ جدید لیبارٹریز، پیشہ ورانہ ماحول، تحقیقی سرگرمیوں اور صنعت سے مضبوط روابط کے ذریعے گرینڈ ایشین یونیورسٹی نوجوانوں کو صرف ڈگری نہیں بلکہ ایک روشن سمت، مضبوط شناخت اور کامیاب مستقبل فراہم کر رہی ہے۔

پرداز ہے دونوں کی اسی ایک فضا میں

کرگس کا جہاں اور ہے، شاہین کا جہاں اور
علامہ محمد اقبال

Message from The Chairman (BoG, GAUS) Dr. Mohammad Islam

At Grand Asian University Sialkot, our students' achievements reflect dedication, discipline, and a commitment to excellence. I encourage every student to pursue knowledge with purpose and integrity, as education is the foundation of a progressive society. Your success is not only personal but contributes to national growth. Stay focused, embrace innovation, and continue striving for excellence. We remain committed to supporting your journey toward impactful careers and meaningful contributions to the world.

Message from the Vice Chancellor Prof. Dr. Mujahid Kamran

Our students continue to make us proud through their academic and co-curricular achievements. At GAUS, we emphasize critical thinking, research, and lifelong learning. I encourage you to challenge ideas, explore new horizons, and remain committed to personal and professional growth. Education is not just about degrees but about developing character and vision. Keep pushing your limits and aim to become leaders who inspire positive change in society and beyond.

Chief Editor's Note

We are delighted to present the second issue of GAUS official E newsletter GAUS Insights, a reflection of the growing spirit and achievements of our academic family. This edition brings together stories of hard work, creativity, and progress, showcasing the journey of our students and faculty. Each page carries a voice of learning and aspiration. We sincerely thank all contributors and readers for their support, and hope this newsletter continues to inspire, inform, and connect our community with purpose and pride.

Leading Pakistan Towards a Greener Academic Future

As the Official National Coordinator of UI GreenMetric World University Rankings in Pakistan, Grand Asian University Sialkot is proudly advancing sustainability through green initiatives, solar energy, and environmental responsibility, creating a cleaner and brighter future for coming generations.

Plantation Drive

Growing a Greener Tomorrow at GAUS

Grand Asian University Sialkot (GAUS) is proud to announce the successful launch of our latest Plantation Drive, a flagship initiative under the vision of "Greening GAUS" and "Greening Sialkot". As a 100% solar-powered campus and the National Coordinator for UI GreenMetric Pakistan, we are taking bold steps toward environmental stewardship and institutional responsibility.

Our Vision for a Greener Future

At GAUS, we believe that sustainability is not just a policy but a practice. By integrating climate action into the heart of our campus, we are preparing our students to be the environmental leaders of tomorrow.

Shaping Futures

Empowering Students Through Vision, Skills & Opportunity

The GAUS Graduate Placement Initiative "Your Career, Our Priority!" was unveiled during the Chairman Board of Governors Address at the Main Auditorium. Dr. Muhammad Islam introduced the Executive Committee for Graduate Placement, shifting focus from degrees to assured career outcomes. Key highlights included stronger industry linkages, employer partnerships, and a structured campus-to-career system. He also awarded High Achiever Scholarship cheques to top students. This milestone empowers graduating seniors, reinforcing GAUS's commitment to career success and academic excellence.

Dr. Muhammad Islam awarded scholarship cheques to 16 outstanding students of Grand Asian University Sialkot who achieved a remarkable 3.80–4.00 SGPA in Semester, appreciating their dedication, consistency, and academic excellence nurtured by the committed GAUS faculty. The initiative reflects the university's strong commitment to supporting talented students through merit-based encouragement, financial assistance, academic motivation, and recognition of hard work, empowering students to pursue higher goals with confidence and continue their journey toward professional and personal success.

Carnival Season

Celebrating Talent, Culture & Campus Spirit

Day 1 - Cultural Fest & Grand Opening

The three-day Spring Carnival 2026 at Grand Asian University Sialkot began with a vibrant opening ceremony inaugurated by Chairman BOG Dr. Muhammad Islam through ribbon cutting, alongside Prof. Dr. Mujahid Kamran, Executive Director Dr. Tanvir Islam, Managing Director Dr. Yasir Islam, and university leadership. Students presented cultural performances, traditional displays, art exhibitions, and creative activities showcasing diversity and talent. Food stalls and interactive attractions added excitement, creating a joyful atmosphere filled with celebration, unity, and unforgettable moments across campus.

Day 2 Sports Week Competitions

Day two of Spring Carnival 2026 featured an energetic Sports Week at Grand Asian University Sialkot with competitions in cricket, football, badminton, tug of war, chess, and ludo. Separate boys' and girls' matches encouraged inclusivity and equal participation. Students displayed teamwork, confidence, determination, and sportsmanship while enthusiastically supporting their departments, making the atmosphere lively and competitive. The event reflected healthy competition and highlighted the university's commitment to developing active, disciplined, and well-rounded individuals beyond academics.

Day 3 Certification & Prize Distribution Ceremony

The final day of Spring Carnival 2026 concluded with a certification and prize distribution ceremony at Grand Asian University Sialkot led by Prof. Dr. Mujahid Kamran and Dr. Tanvir Islam. Shields, trophies, and certificates were awarded to winning teams and outstanding participants. The Department of Law emerged as the leading department with seven trophies, winning boys' cricket, badminton, tug of war, and ludo, along with girls' cricket, football, and tug of war. Engineering won boys' football and chess, Pharmacy secured girls' ludo and badminton, while FNAS achieved victory in girls' chess, ending the carnival with excellence and celebration.

Empowering Dreams Creating the Leaders of Tomorrow.

Student Success Corner

Honoring Achievement, Dedication & Excellence

Congratulations to Tabassum Manzoor

A proud moment as the first MS student (Spring 2024, inaugural batch) publishes a review article in *Frontiers in Chemistry* (Impact Factor 4.2, HEC W, ISSN 2296-2646) before completing her degree. Her paper on catalytic conversion of nitroarene to amino arene marks a remarkable achievement, setting a benchmark for future batches and bringing pride to the Chemistry Department.

Congratulations to Sadia & Faiza

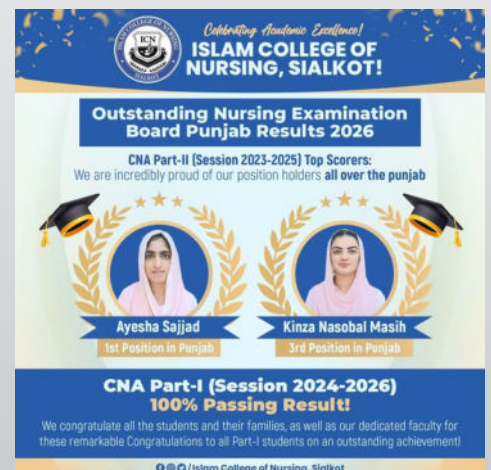

Grand Asian University Sialkot (GAUS) proudly congratulates Sadia Munawar and Faiza Mehreen from the Department of Computer Science & Software Engineering on the successful defense of their MS thesis under the supervision of Dr. Sohaib Latif.

This achievement reflects GAUS's strong commitment to quality research, innovation, and academic excellence. We remain dedicated to developing a research-driven learning culture that empowers students to contribute to national and global progress.

Congratulations to Ayesha & Kinza

We proudly celebrate the exceptional achievements of our students in the Nursing Examination Board Punjab Results 2026. Ayesha Sajjad secured 1st position in Punjab, while Kinza Nasobal Masih achieved 3rd position in CNA Part-II (Session 2023–2025). We are also delighted to announce a 100% pass rate in CNA Part-I (Session 2024–2026). These accomplishments reflect students' dedication, strong family support, and faculty commitment, bringing pride to Islam College of Nursing, Sialkot.

At GAUS, Student Life is More Than Education, It's the Beginning of Leadership, Confidence, & Success.

Industry Linkages, MOU Signed

Strengthening Partnerships for Career Advancement

MoU Signing Ceremony Strengthening Industry Linkages

Grand Asian University, Sialkot signed an MoU with Acelin Sports (Pvt.) Limited, Sialkot, establishing a strong academic-industry partnership. The agreement was signed by Director Mr. M. Omer Farooq Aslam and Vice Chancellor Prof. Dr. Mujahid Kamran. This collaboration will bridge academia and industry, create internships and career pathways, and promote research, innovation, and skill development. It reflects a shared commitment to equipping students with practical exposure for future success.

Grand Asian University Sialkot (GAUS) delegation's visit to Web Excels (WELC)

WELC marked a significant step toward strengthening the bridge between academic excellence and industry practice. The engagement fostered meaningful dialogue, aligned shared objectives, and reinforced a collective commitment to preparing future talent for the evolving digital landscape.

Grand Asian University Strengthens Industry Linkages!

Grand Asian University, Sialkot proudly announces the signing of a Memorandum of Understanding (MoU) with Medical Devices Pvt. Limited on 15th April 2026.

The MoU was formally signed by Prof. Dr. Mujahid Kamran from Grand Asian University and Mr. Mubasher Wahid, CEO of Medical Devices Pvt. Limited, marking the beginning of a strategic partnership between academia and industry.

This collaboration aims to create impactful opportunities for our students. This partnership reflects GAU's commitment to bridging the gap between education and industry, empowering students with practical knowledge and future-ready skills.

A Proud & Momentous Visit for GAUS

An Occasion Reflecting Recognition, Growth & Prestige

Grand Asian University Sialkot continues to lead in sustainability and global impact. Dr. Sharif Bhatti presented the UI GreenMetric Workshop Shield to HEC Executive Director Prof. Dr. Zia ul Haq, highlighting sustainability rankings' importance. Prof. Dr. Zia ul Haq appreciated GAUS efforts and congratulated Chairman BoG Dr. Muhammad Islam and the team on being appointed National Coordinator for UI GreenMetric Rankings in Pakistan. This reflects GAUS's commitment to green campuses, sustainable development, and global academic leadership.

Basar Meeting

Strategic Discussions for Institutional Progress & Development

Grand Asian University Sialkot successfully held its 5th BASR meeting with participation from leadership, faculty, and department heads. The meeting focused on research advancement, supervision, and thesis approvals for LLM, M.Phil., MS, and Ph.D. programs. Key decisions included approval of research topics, supervisors, and synopses across multiple departments, improved research monitoring under the Pro Vice-Chancellor, and flexible thesis and coursework options, reinforcing GAUS's commitment to quality research, innovation, and academic excellence.

Basar Meeting

Research, Innovation & Carbon-Smart Engineering

Driving Sustainable Solutions Through Modern Research

Grand Asian University Sialkot (GAUS) recently inaugurated a state-of-the-art Research and Innovation center, a landmark for carbon-smart engineering aligned with Chairman Muhammad Islam and VC Mujahid Kamran. Led by Director RIC Syed Zohaib Javaid Zaidi and inaugurated by Prof. Sharif Bhatti, the facility embeds carbon-credit tech and decarbonization. Attended by QEC Director Jan Sahib, this platform promotes collaboration, electrification, and commercialization. This hub drives global competitiveness, transforming sustainable ideas into impact while positioning Sialkot at the forefront of green growth and climate solutions.

Awareness Session

Promoting Knowledge, Responsibility & Positive Change

Excited to share highlights from the Y-IBP and AAF-IBP programs at Grand Asian University, Sialkot! The event began with Tilawat and the National Anthem, followed by a welcome from Dr. Mujahid Kamran, with remarks by Dr. Saqib Siddiq and Dr. Tahir. Waqas Kashif Bajwa highlighted State Bank of Pakistan initiatives. Rana Salim Saleem shared internship insights. A Shariah Scholar explained Islamic banking concepts. Meezan Bank discussed promotion strategies. Concluding remarks were given by Dr. Arsalan Rafi, Dean MS&E.

Skills That go **Beyond the Classroom**

Healthy Food Display

Encouraging Nutritious Choices for a Healthier Lifestyle

The HND 7th-semester students of the Department of Food, Nutrition and Agriculture Sciences hosted a professional showcase of innovative entrepreneurial ideas before the month of Ramadan. As part of their Food Service Management course, the students developed and presented original food products to a distinguished jury at Grand Asian University. The event highlighted the students' ability to blend nutritional science with business acumen. Each display was perfectly organized, reflecting a high level of creativity and meticulous attention to detail.

Awareness Activity

Engaging Minds Through Interactive Learning & Community Participation

The Department of Food, Nutrition and Agriculture Sciences organized an awareness activity on air pollution, with a focus on smog issue, for university students. Students distributed protective face masks and highlighted their importance in reducing exposure to harmful pollutants.

The activity also emphasized the health risks of air pollution and simple preventive measures to safeguard well-being. The event underscored the department's commitment to environmental awareness, public health promotion, and student engagement.
