About Sialkot

A City of Heritage, Innovation, and Global Excellence.

Economic Significance

Sialkot, Often referred to as Pakistan's export hub, the city is renowned for manufacturing world-class sports goods, surgical instruments, leather products, gloves, and apparel. Products made in Sialkot are exported to more than 140 countries, serving leading global brands and contributing significantly to Pakistan's economy.

Cultural Heritage

With a history spanning over two thousand years, Sialkot is among the oldest cities in South Asia. Throughout its long history, the city has served as an important center of trade, culture, and learning. Sialkot is also honored as the birthplace of Dr. Muhammad Iqbal, Pakistan's national poet and philosopher, whose ideas and vision continue to inspire generations.

Architecture and Urban Development

Sialkot presents a unique blend of historical charm and modern progress. Traditional bazaars, heritage sites, and historic buildings coexist with contemporary commercial centers, educational institutions, and residential

Infrastructure and Connectivity

A notable achievement is the establishment of Sialkot International Airport, Pakistan's first privately owned international airport, demonstrating the vision and determination of the local business community. Also established their own Airline named as AirSial.

MESSAGE FROM THE CHAIRMAN

It is with immense pride and great pleasure that I welcome you to the Grand Asian University Sialkot (GAUS). The remarkable journey of the Islam Group, rooted in a steadfast commitment to quality education, has led to the creation of Islam Education City a hub of intellectual excellence. Over the years, a number of prestigious institutions have been established, including Islam Medical & Dental Colleges, Islam College of Pharmacy, Grand College of Pharmacy, Islam College of Physiotherapy, Islam College of Nursing, Islam Law College, and Islam College of Management & Sciences. These institutions have proved the beacon to lay down the foundation of academic distinction, shaping professionals who contribute significantly to society.

This beacon then nurtured our vision to establish the Grand Asian University Sialkot (GAUS), a great land mark to achieve excellence to render higher education and serve humanity. As

a premier institution, GAUS is not merely an academic institution, but a vibrant ecosystem where knowledge meets innovation, and tradition is harmonized with futuristic thinking. Our mission is to cultivate not just academic achievers, but global leaders who possess the critical thinking, creativity, and ethical grounding required to navigate an ever-evolving world.

At GAUS, we believe that education is not just about acquiring knowledge but about developing the whole individual. Our curricula have been designed to foster intellectual curiosity, leadership, and innovation, ensuring that students are equipped with the skills to excel in a dynamic global landscape. From cutting-edge research opportunities to transformative learning experiences, we provide an environment that encourages students to challenge the status quo, think beyond conventional boundaries, and aspire to greatness. By holding an unwavering ambition, we at GAUS empower our students to stand shoulder to shoulder with the brightest minds in the world. Our graduates will not only be able to hold their presence in the international arena but will also set new standards of excellence.

With state-of-the-art facilities, an inspiring faculty, and a forward-thinking approach, GAUS stands at the forefront of higher education in the region. We are dedicated to provide a transformative educational experience that not only fosters intellectual excellence but also shapes character and purpose. I invite you to embark on this extraordinary journey with us. At GAUS, we are committed to help you shape your future with boldness, vision and determination. Together, let us craft a future where your success knows no bounds. Your aspirations, combined with our expertise, will create a legacy of excellence.

MESSAGE FROM VICE CHANCELLOR

It is with immense pleasure that I extend my warmest welcome to you all at Grand Asian University Sialkot (GAUS). Our university stands as a beacon of higher education, dedicated to fostering an environment where learning, discovery, and innovation converge to shape the leaders of tomorrow.

At GAUS, we believe that a university is not just a place to earn a degree, but a dynamic platform for personal and professional growth. Our commitment is to provide an enriching academic experience that prepares our students to meet the challenges of an increasingly interconnected and complex world. With a strong emphasis on interdisciplinary learning, global perspectives, and research-driven innovation, GAUS empowers students to develop not only their knowledge but also the critical skills

necessary to succeed in today's rapidly evolving job markets.

We are deeply proud of our diverse and distinguished faculty who are passionate about nurturing talent and guiding students to realize their full potential. Their dedication to research and academic excellence ensures that GAUS remains at the cutting edge of education in Pakistan and beyond. Our modern facilities, vibrant campus life, and wide array of programs create a stimulating environment where ideas flourish and futures are shaped.

As Vice Chancellor, I am committed to furthering our vision of becoming a globally recognized institution that not only will impart knowledge but also cultivate integrity, leadership, and social responsibility. Together, we will continue to pursue academic excellence and innovation, ensuring that GAUS remains a trailblazer in higher education.

I look forward to seeing each of you achieve your dreams and contribute positively to society. Let us embark on this remarkable journey together. I invite you to embark on this extraordinary journey with us. At GAUS, we are committed to help you shape your future with boldness, vision and determination. Together, let us craft a future where your success knows no bounds. Your aspirations, combined with our expertise, will create a legacy of excellence.

MESSAGE FROM PRO VICE CHANCELLOR

Welcome to Grand Asian University, Sialkot! It is with great pride and enthusiasm that I extend my warm greetings to all students of our esteemed institution. As we continue to build on the legacy of excellence, I am honored to be a part of an academic community that is dedicated to shaping the leaders of tomorrow.

At Grand Asian University, our mission is to provide an inclusive, stimulating, and dynamic learning environment that nurtures creativity, critical thinking, and innovation. We aim to equip our students with not only academic knowledge but also the practical skills needed to succeed in an ever-changing global landscape. Our commitment to fostering holistic development empowers students to excel not only in their chosen fields but also as the responsible citizens of the world. Our highly qualified faculty, modern infrastructure, and diverse academic programs

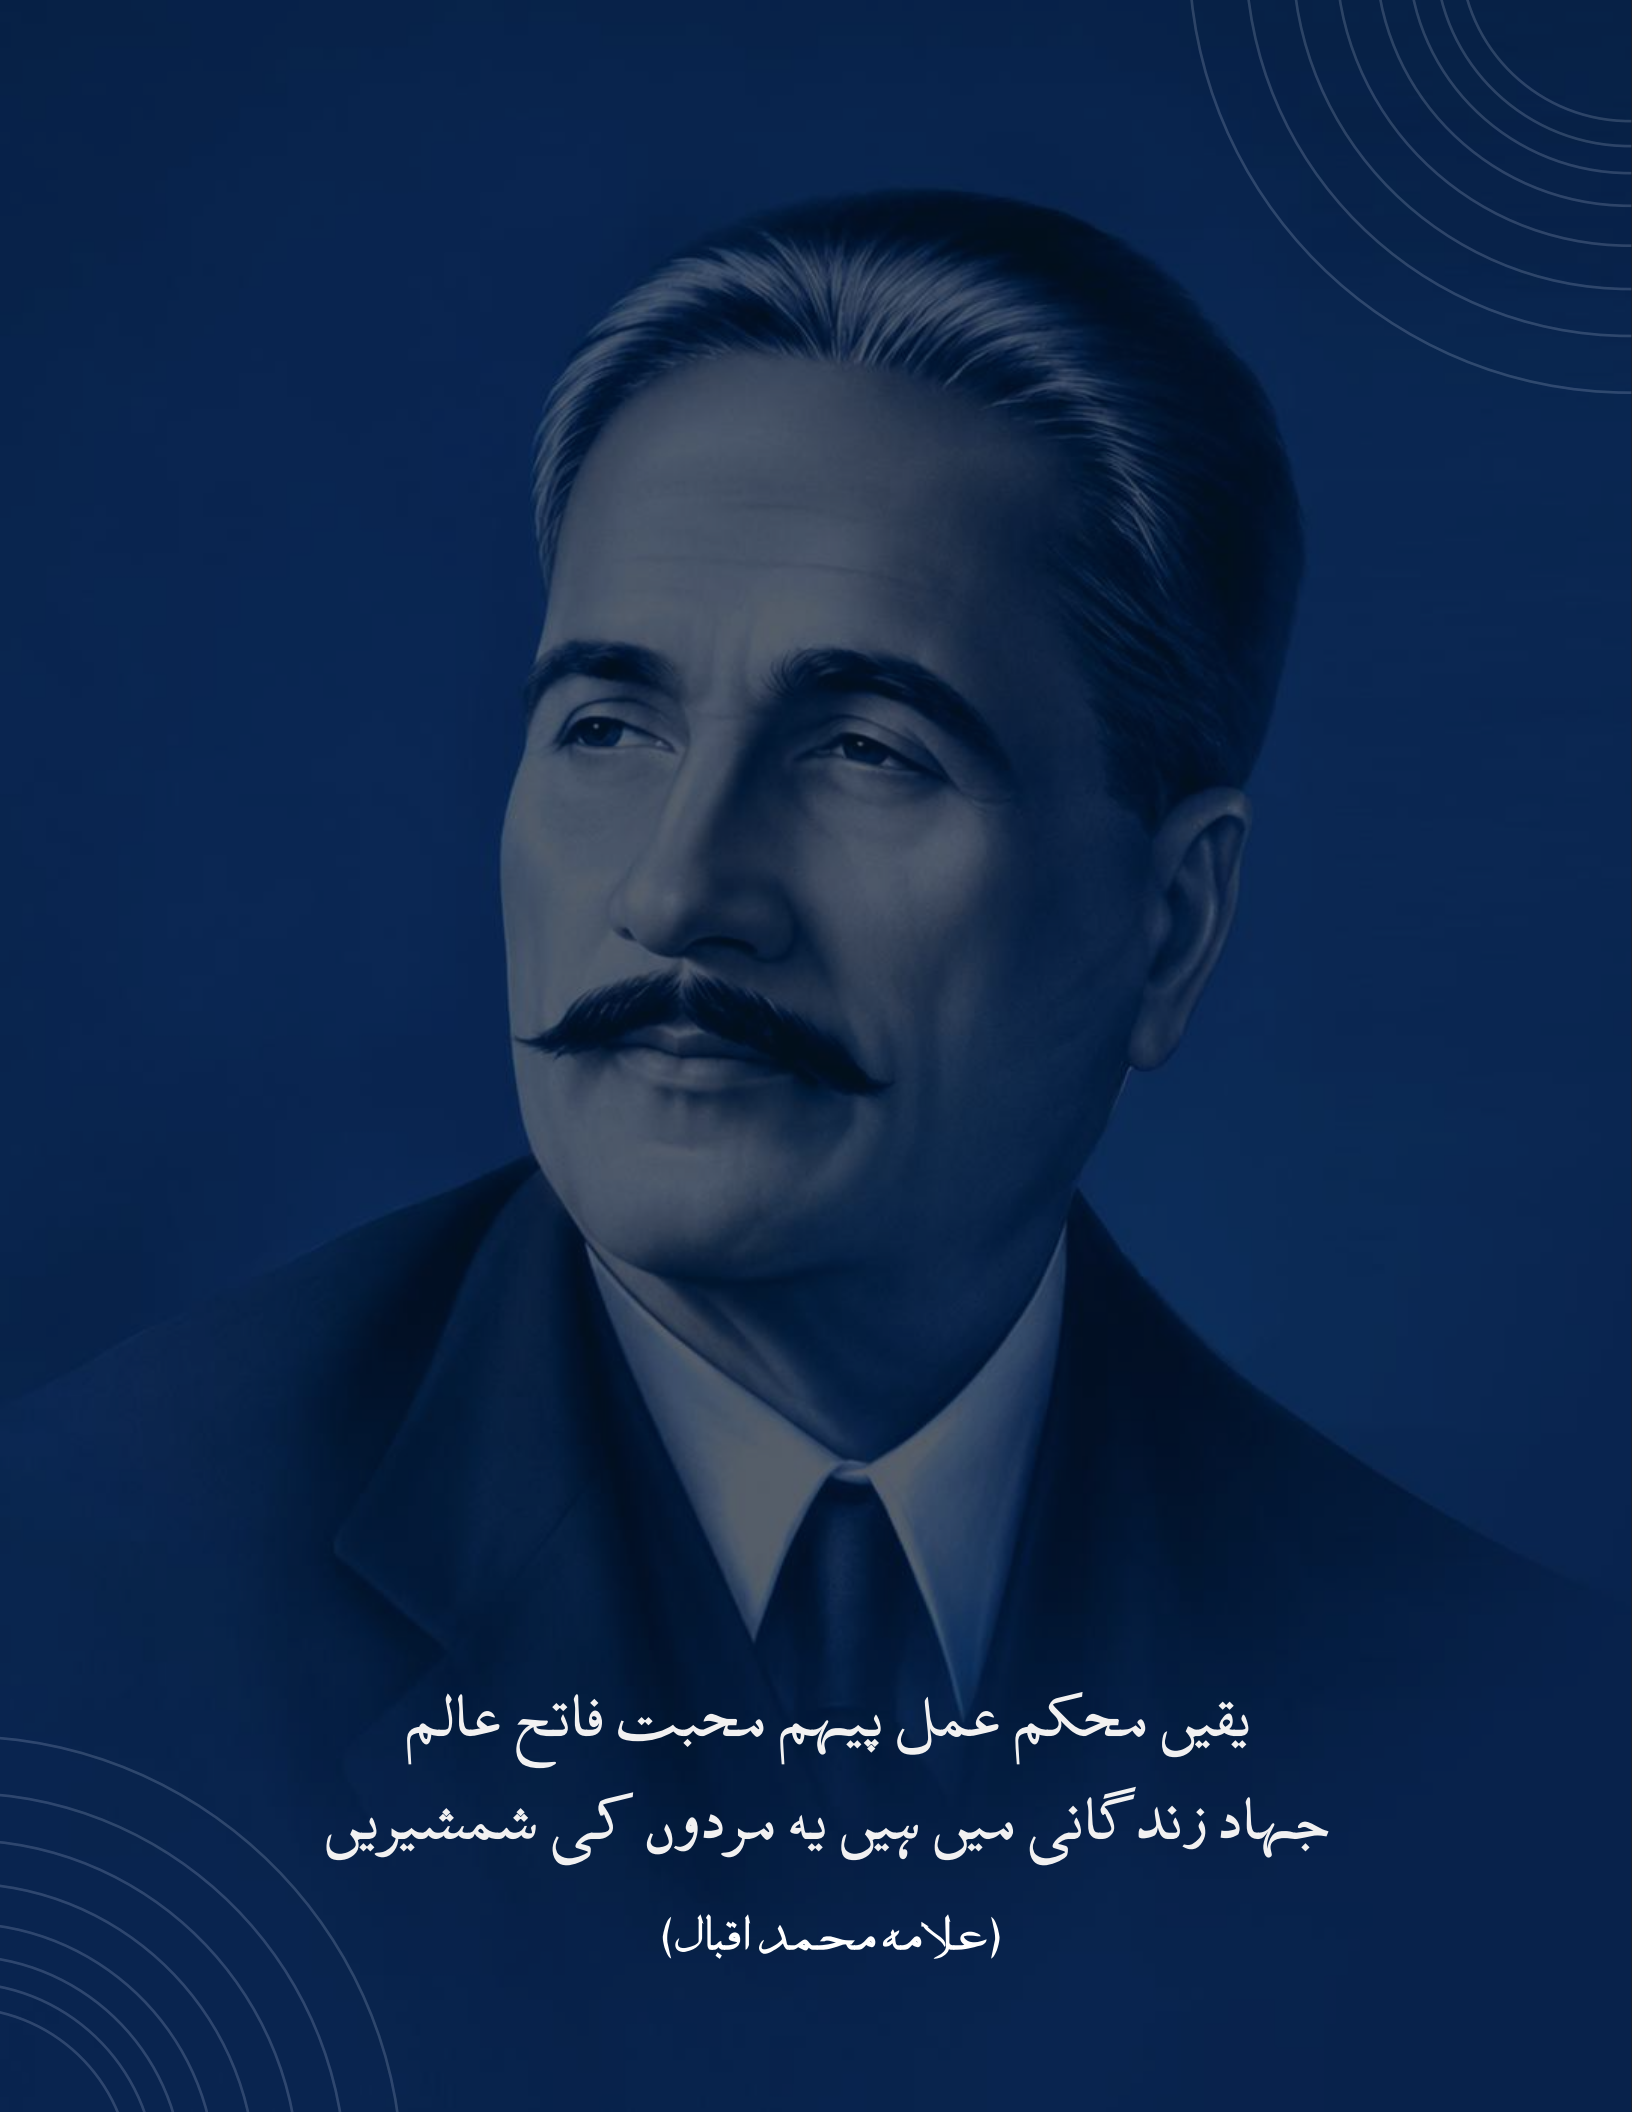

are designed to meet the evolving needs of the job market.

We are committed to continuous research, innovation, and knowledge sharing, ensuring that our students are prepared to make a meaningful impact in their careers and communities. As an institution, we strive to create an environment where academic excellence, ethical values, and social responsibility come together. The success of our students is our highest priority, and we are deeply committed to supporting each individual in achieving their goals.

Thank you for being a part of the Grand Asian University family. I am confident that together, we will continue to inspire, innovate, and lead with integrity. I look forward to witnessing your achievements and success.

These tours broaden students' perspectives, enhance their experiences, and provide opportunities for relaxation and bonding.

Campus Facilities

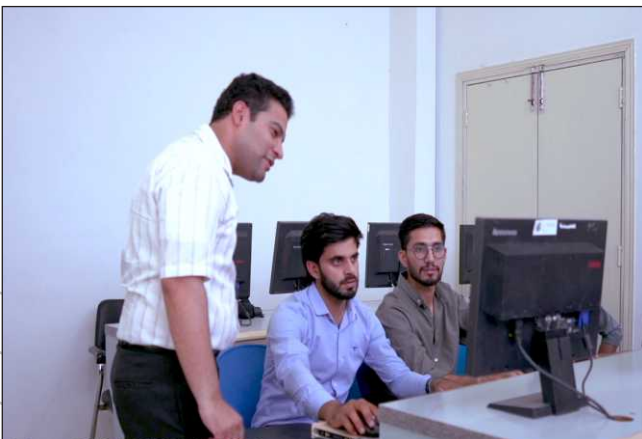

ENGINEERING AND SCIENCE LABS

Our state-of-the-art engineering and science labs are fully equipped with cutting-edge technology and tools. These labs provide hands-on experience for students in various disciplines, allowing them to apply theoretical knowledge to real-world scenarios. The labs foster innovation and practical problem-solving, essential for students' academic and professional growth.

WELL-EQUIPPED COMPUTER LABS

Our advanced computer labs are furnished with the latest hardware and software facilities offering students the necessary resources for research, coding, data analysis, and other academic activities. With high-speed internet and specialized software, the labs support both individual projects and group collaborations, enhancing learning efficiency.

Campus Facilities

CENTRAL LIBRARY

The University Library and Information Resource Center (LIRC) at Grand Asian University, Sialkot, is a modern, air-conditioned facility that plays a pivotal role in supporting the university's academic programs and research endeavors. It offers a comfortable and conducive environment for study and research, with a spacious seating capacity, designed to accommodate a large number of students at any given time. The LIRC boasts one of the most comprehensive collections of books in Pakistan, housing over 33,000 volumes across various disciplines, in addition to subscriptions to a wide range of foreign and local journals, magazines, and online databases. Equipped with advanced technology, the library ensures easy student access, both in-person and remotely through its live online catalog, enabling students to search holdings and access scholarly journals and e-books from anywhere.

The LIRC is committed to knowledge dissemination through conventional and electronic means, aiming to enhance the intellectual capital of both the university and the broader community. Its Off-Campus Library Services (OCLS) cater to the needs of distant learners and e-students with the same dedication as on-campus users. OCLS ensures the delivery of e-resources, including journal articles and e-books via email. The facility is fully air-conditioned, providing a comfortable atmosphere for focused study, and offers ample seating to ensure students have the space they need for individual and group work. With access to the Higher Education Commission (HEC) Digital Library & E-Library Punjab, the LIRC stands as an indispensable resource, supporting research, academic growth, and a student-centered approach to learning, both on and off-campus. This modern, student-friendly facility is integral to the academic experience at Grand Asian University and fosters learning, research, and innovation.

b) The student shall be required to clear all the university dues before he applies for migration.

c) In case of a student who has been debarred from taking the University examination or has been expelled or rusticated for whatsoever reason, No Objection Certificate (NOC) shall not be issued so far as the punishment is in force.

d) The Registrar shall issue NOC which shall be valid for 60 days only.

e) A student who has obtained NOC from this University, but has not secured admission in another institution may be re-admitted to the GAUS in the class to which he can be admitted under the regulations provided that:

i. His absence from the current teaching session of that class does not exceed four (4) weeks.

ii. He surrenders the NOC.

Any change/ addition/modification, if made in these regulations will also be applicable.

The Worthy Vice Chancellor has the powers to regret any request for migration after recording proper reason(s) or relax any of the above condition(s) to be determined on case to case basis, if situation warrants.

General Admissions Rule

Programs in ADP/BS/BSc

- Admissions open twice a year under semester system or as stated otherwise for specific program.
- Applicants for admission must meet relevant academic qualifications.
- Minimum 75% attendance is required in each course for the student to complete the semester.

Programs in MS/MPhil/PhD

In MS/MPhil/PhD, the prospective students will have to follow the rules of admission underlined:

- Final merit is determined based on past academic performances, admission test and interview performance.
- The students from other relevant discipline have to follow the eligibility criteria set by the respective department.

Scholarship Policy

1. The scholarship is a privilege and cannot be claimed as a matter of right. If the exigencies are so required, the competent authority may sanction a scholarship or refuse to grant/extend/carry forward a scholarship, cancel a scholarship already granted, or change the nature of the scholarship.
2. The scholarship shall be applied for and sanctioned in terms of an expressed fraction.
3. The Scholarship/Financial Assistance shall be applied on the full fee of first semester challan. The application form may be downloaded from www.gaus.edu.pk or obtained from the Admission Office or the Directorate of Student Affairs.
4. The student shall first deposit the full fee of the 1st semester. The paid challan of the 1st semester, along with all required supporting documents, must be submitted with the Scholarship/Financial Assistance application to the Deputy Director Admissions, or alternatively submitted through the LMS.
5. The Deputy Director Admissions shall scrutinize each application. In case of incomplete documentation, unclear information, fake/forged documents, or mala-fide intent, the application shall be rejected immediately. Only complete and verified applications shall be finalized and forwarded to the Directorate of Student Affairs.
6. After scrutiny, Deputy Director Admission and Director Student Affairs shall prepared a list of eligible candidates. This list shall be submitted to the Pro Vice Chancellor for final approval. Upon approval, the list will be forwarded to the Treasurer's Office, which will update the student's fee record/challan accordingly. Students who qualify for Scholarship/Financial Assistance shall be informed through SMS/email/phone call.
7. Upon approval, the student shall be entitled to the Scholarship/Financial Assistance from the 1st semester onward. At the time of submission of the 2nd semester fee, the approved Scholarship/Financial Assistance of both the 1st and 2nd semesters shall be adjusted/deducted in the fee challan. The same approved Scholarship/Financial Assistance shall continue and carry forward to all subsequent semesters, subject to compliance with university rules and eligibility criteria.
8. All types of discounts will be eradicated AFTER this policy.
9. Scholarship/ Financial Assistance will also be followed as per approved terms under MOU with various organizations/institutions.
10. All scholarship cases from the 2nd semester onward will be processed by the Directorate of Student Affairs/Treasure office. The Admissions Office is responsible only for 1st semester scholarships/Financial Assistance at the time of admission.
11. A student may apply for one or more scholarships listed below; the student can avail of only one scholarship at a time.
12. Students of Grand Asian University who are enrolling in the 5th semester of BS or in MS program will be granted a 100% waiver on the admission fee at the time of admission and 5% discount on semester fee will be applicable.
13. Students applying on provisional basis (before result announcement in Fall semester) must submit 50% of the semester fee at the time of admission. The remaining 50% must be deposited on or before 15th August 2026 and will be submitted with a cheque dated 15th August along with an affidavit.
